

A Day in the Shopping Centre

Today, I go to a shopping centre in Kwai Fong to buy presents for my family with my sister.

First, I go to Clever Book Shop. It is on the third floor. I can see a lot of people buying comics. I want to buy a Superman comic because my father likes Superman very much. It is thirty-four dollars. The Superman is cool.

Then, I go to Fluffy Pet Shop. It is on the fourth floor. I can see a lot of animals. I want to buy a dog because my brother likes pets. It is two hundred dollars. The dog is so cute.

Finally, I go to Exciting Cinema. It is on the third floor. I can see many people buying tickets. I watch a film with my sister. It is Jurassic Park. It is two hundred dollars. I feel excited.

It is a wonderful day. I hope they like my presents.
